SPEAK UP!

Whether you have a good idea.....

...or if a bad idea starts to grow legs.

SUMMARY

- We have the common goal of “Delivering the Program”
- We can’t do this without you; you can’t do this without us; and none of us would have a reason to be here without the customer.
- Speak up when something doesn’t seem right. Everyone on the team has a responsibility to keep the project off the road to Abilene.
