SMITHLAND LOCKS AND DAM

LOCK CLOSURE

OHIO RIVER MILE 918.5

Smithland Locks and Dam (Mile 918.5, Ohio River): The landside lock chamber will be closed for 5 days between December 17th and December 25th, 2015. The current projected schedule will have the closure be from December 17th to December 21st, but this schedule can change depending on river conditions. During the closure, a contractor will be offloading equipment in the upper approach of the landside chamber. The riverside chamber will remain open and pass all traffic for the duration of the closure.
