REVISED SMITHLAND LOCKS AND DAM

LOCK CLOSURE

OHIO RIVER MILE 918.5

REFERENCE: Navigation Notice #2015-059, dated December 17, 2015
Navigation Notice #2015-060, dated December 28, 2015
Navigation Notice #2015-061, dated December 28, 2015

REVISED

Due to high water elevations the previously scheduled work has yet to be completed and will now be rescheduled.

Smithland Locks and Dam (Mile 918.5, Ohio River): Starting **January 18, 2016** the River Chamber will be shut down to traffic at night so the contractor can stage equipment to off load bulkheads throughout the week. Starting **January 19, 2016** the land chamber will be shut down to traffic from dawn to dusk and the river chamber will be shut down from dusk to dawn for a maximum of seven days while the contractor off loads bulkheads onto the esplanade. As soon as the work is complete we will return to normal operations.
