LOUISVILLE DISTRICT

DUKE ENERGY EAST BEND GENERATION STATION

OHIO RIVER MILE 511

UNION COUNTY KENTUCKY

Notice is given that on **March 2, 2016** "Duke Energy Personnel" will be dredging using a long reach backhoe to clear silt at equipment dock to allow tug boat and barge access. The silt will be disposed in the onsite authorized disposal area. Work is expected to last 12 days and depending on weather and river level is expected to be completed by **March 31, 2016**.

The equipment will consist of a long reach backhoe and will be located at the lower dock during non working hours. Hours of operation will be during daylight hours. Marine Channel 13 will be monitored.

For additional information contact JR Wood/ Environmental Coordinator 513-467-4833 or Shift Supervisor, Control Room 513-467-4733
