Fiscal Cliff

What's Ahead?

“Cease facilities sustainment activities that are not directly connected to matters of life, health or safety. Additionally, cease all Restoration & Modernization projects, including Facilities Reduction Program and project required to facilitate stationing decisions.”

*Excerpt from Secretary of the Army memo
“Risk Mitigation in the Face of Fiscal Uncertainty”
16 January 2013*

Need your help - - STEM

- Science, Technology, Engineering and Mathematics
- Half of 30 fastest-growing occupations through 2018 are STEM related
- Awareness programs for students kindergarten to career
- China graduates 700,000 engineers a year -- America only 70,000
- Only 6 out of 100 ninth-grade students will go on to pursue STEM
