

U.S. Army Corps of Engineers, Louisville District, Regulatory Branch Telephone Contact Information

The Louisville District Regulatory Branch is divided into three (3) sections:

- The North Section, which covers the majority of Indiana, a portion of Illinois, and the Ohio River in Ohio to River Mile 438 (upstream of Neville, Ohio)
- The South Section, which covers the majority of Kentucky
- The West Section, which covers western Kentucky, southeastern Illinois, southwestern Indiana, and the Ohio River from River Mile 746 (Rockport, Indiana) to River Mile 981 (confluence to the Mississippi River)

Check the information below to find the telephone number of the regulatory staff covering your area of interest.
