Dear Mr. Tanis:

This is in regard to your letter of September 30, 2010, concerning the proposed placement of fill on INDOT fill site R-28931 in Section 6, Township 12 North, Range 7 East, Shelby County, Indiana. We have reviewed the submitted data relative to Section 404 of the Clean Water Act.

The provided information indicates that a placement of dredged or fill material will not be required, permanently or temporarily, into any "waters of the United States". Therefore, a Department of the Army (DA) permit is not required.

If you have any questions concerning this matter, please contact me by writing to the above address or by calling 317-532-4226. Any correspondence should reference our assigned Identification Number LRL-2010-973-sam.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Matthews", enclosed within a large, loopy oval scribble.
