LOUISVILLE DISTRICT

OHIO RIVER
LOUISVILLE DISTRICT
CHANNEL MAINTENANCE DREDGING
CANNELTON LOWER APPROACH, OHIO RIVER MILE 721

Notice is given that on **7/9/2019**; "Luhr Bros.Inc.". Will commence channel maintenance dredging for the Louisville District US Army Corps of Engineers at Cannelton Lower Approach, Ohio River mile 721

The contractor's floating plant will consist of the Dredge Bill Holman, M/V's LENARD and BUDDY, and the ROBERT T, one shop barge, one spill barge, and floating pipeline sections. The Dredge Bill Holman, M/V's LENARD and BUDDY will be monitoring marine channel 13. Dredging operations will be conducted 24 hours per day, seven days per week and is expected to be complete on **7/11/2019**.

The Dredge Bill Holman will be located at Cannelton Lower Approach, next to the navigation channel and the disposal pipeline may be crossing the navigation channel, requiring the disposal pipeline to be opened for passing traffic, contact The Dredge Bill Holman for any passing instructions. Once contact has been made with The Dredge Bill Holman, proceed at the slowest safe speed.
