Louisville's Eva Bandman Park is the premiere cyclocross venue in the United States. It is 59.28 acres and was acquired by the city in 2011. Upscale urban living is the foundation of this waterside destination and community, with plans including condominiums and townhomes. The Community Boat House is in Louisville Waterfront Park and is managed by Metro Parks. Currently the River City Waterfront Park has two docking areas, the Great Lawn Docks and the Amphitheater Docks. Docks are open during the summer months, 14 public transient boat slips, maximum 24-hour usage (excluding Thunder Over Louisville), no private rentals. There are two sets of docks in Waterfront Park, one in the Great Lawn Harbor and one adjacent to Towhead Island. The park also features a restaurant with parking lot and boat access.

The 390-million-year-old fossil beds are among the largest exposed Devonian fossil beds in the world. The Indiana site is known for almost 200 years as "Clark's Point," The George Rogers Clark home site is separated from the main park by the U.S. Army Corps of Engineers and is part of the Falls of the Ohio Wildlife Sanctuary Area. The only parking area is located on the east side of the park. Also known as the Jaycees Boat Ramp. This is the end of the Labor Day Mayor's Hike Bike and Paddle. Completed in 2011, the ramp is open year round, parking and concrete boat ramp.

On the Louisville Loop, this park boasts a beautiful Ohio River view, playgrounds, splash park, and provides one of the best views of the city. The U.S. Army Corps of Engineers boat ramp operated by the City of West Point. Bathrooms, water and camping in an area.
