CHANNEL MAINTENANCE DREDGING

OHIO RIVER MILE 849

Notice is given that on or about **July 31, 2019**; "Luhr Bros., Inc.". Will commence channel maintenance dredging for the Louisville District US Army Corps of Engineers at Ohio River mile 849.

The contractor's floating plant will consist of the Dredge Bill Holman, M/V's LENARD and BUDDY, and the ROBERT T, one shop barge, one spill barge, and floating pipeline sections. The Dredge Bill Holman, M/V's LENARD and BUDDY will be monitoring VHF 156.65MHz channel 13. Dredging operations will be conducted 24 hours per day, seven days per week and is expected to be complete on or about **Aug 12, 2019**.

The Dredge Bill Holman will be located at mile 849 in the navigation channel and the disposal pipeline will be located crossing the navigation channel, requiring the disposal pipeline to be moved for passing traffic, contact The Dredge Bill Holman on VHF 156.65MHz channel 13 for any passing instructions. Once contact has been made with The Dredge Bill Holman, proceed at the slowest safe speed.
