

U.S. Army Corps of Engineers- C.J. Brown Dam and Reservoir

Reservable Shelters

Lake View

The Lake View Shelter is located near the Visitor Center and close to the lake shore. The shelter is wheelchair-accessible, as are the nearby restrooms. Grass lawn areas for outdoor activities, and an accessible fishing platform with a courtesy dock are close by. The shelter can accommodate 100 people, and has tables, grills, a water fountain, and 20 amp electrical service. For wedding ceremonies or groups larger than 150; a Special Activity Permit might be required.
