Olmsted Ribbon Cutting Ceremony date changed to Aug 30

LOUISVILLE, Ky. – The date of the Olmsted Locks and Dam ribbon-cutting ceremony has changed. The event, hosted by the U.S. Army Corps of Engineers Louisville District, will occur on Aug. 30, 2018, from 10am to 11am (Central Standard Time) at the Olmsted Locks and Dam located at 567 New Dam Road Olmsted, IL.

The event, is open to the public, will include a keynote address by the Assistant Secretary of the Army for Civil Works, Mr. R.D. James and feature the dedication of the Wicket Lifter Keen, and the first commercial tow lockage.

Detailed ceremony information regarding scheduled events, directions, and parking locations are available on the Louisville District website at www.lrl.usace.army.mil.
