### CURRENT STATUS:

The draft Master Plan is now ready for public review. We'll host a virtual public meeting Dec. 14th for the public to ask questions. We'll continue to update the project website with detailed Master Plan updates throughout the revision process.

## FORMAT OF THE MASTER PLAN

The sections of the Master Plan will include the following chapters:

1. **Introduction:** Reviews the purpose and overview of the project and the Master Plan.
2. **Project Setting and Factors Influencing Management and Development:** Details natural and cultural resources, hydrology of the lake, visual qualities, economic factors, topography, etc.
3. **Resource Objectives:** Details the goals and resource objectives at the lake.
4. **Land and Water Use Classifications:** Details land and water allocations and classifications.
5. **Resource Plan:** Outlines land and water classification areas such as operations areas, environmentally sensitive areas, high-density recreation areas, etc..
6. **Special Topics:** Covers various topics such as the overall recreational needs and water quality at Barren River Lake and partnerships with local organizations.
7. **Agency and Public Coordination:** Details how public comments were collected and evaluated.
8. **Summary of Recommendations:** Details a summary of the findings and proposed actions of the Master Plan.
9. **Bibliography:** Details any additional sources cited in the Master Plan.
10. **Appendices:** Includes the Environmental Assessment, Park Maps, Public and Agency Comments, etc.
