## Search Records

**Search Tips to Get Started:**

- Looking for entity registration records or entity exclusion records in SAM? Use **Quick Search** if you know an entity's Business Name, DUNS Number or CAGE Code. Use **Advanced Search** to structure your search using multiple categories and criteria.
- Are you a Federal government employee? Create a SAM user account with your government e-mail address and log into SAM before searching to see FOUO information and registrants who chose to opt out of the public search.
- Conducting small business-focused research? In addition to what is contained in SAM, small businesses can provide the Small Business Administration (SBA) supplemental information about themselves. Use the SBA's [Dynamic Small Business Search](#) to conduct further market research.
- Trying to find a contractor participating in the Disaster Response Registry? Use the **Disaster Response Registry Search** to locate contractors willing to provide debris removal, distribution of supplies, reconstruction, and other disaster or emergency relief services in the event of a national disaster.
