

**US Army Corps
of Engineers**
Louisville District

Annual Public Informational Meeting for the Former Naval Air Station Grosse Ile

The U.S. Army Corps of Engineers Louisville District is scheduled to host a virtual public meeting at 6 p.m., Sept. 10, 2020, for the former Naval Air Station Grosse Ile in Grosse Ile, Michigan.

USACE is slated to provide a formal presentation on the status of environmental work at the former Naval Air Station Grosse Ile. The meeting is intended to inform the public about ongoing remedial investigation activities and coordinate with all stakeholders to address questions and concerns.

The virtual public meeting will allow USACE, using technology (phone and internet), to communicate the same information to the public as it would during an in-person meeting, while minimizing risks to public health associated with an in-person gathering in light of the prevalence of the COVID-19 virus.

The presentation and documents related to the former Naval Air Station Grosse Ile can be viewed at: <http://www.lrl.usace.army.mil/GrosselleNavalAirStation/>.

Starting on Aug. 31, 2020, hard copies of the presentation will be available in the lobby at:
Township of Grosse Ile
9601 Groh Road
Grosse Ile, MI 48138
Phone: 734.676.4422

Meeting Information

- Join by Internet: <https://jeg.webex.com/join.nasgi2020>
 - Join by phone: Call-in toll-free number at 1.844.992.4726
- Meeting number: 132 202 4163

Teleconferencing will be available for individuals participating via the Internet or phone. Those participating via the Internet will be able to view the presentation materials on their computer or mobile device. Those participating by phone only can obtain the presentation materials at the above website or the Township of Grosse Ile or by mail by contacting the Louisville District Public Affairs Office (see below). The number of online connections available for the public meeting is limited and will be offered on a first-come, first-served basis. To ensure adequate time for public questions and concerns, individuals or organizations can submit questions or concerns in advance to the Louisville District Public Affairs Office (see below). Questions and concerns submitted in advance will be addressed during the meeting at the appropriate time. The meeting is scheduled to begin promptly at 6 p.m. and will conclude at 8 p.m. A test run for the public to ensure anyone who wants to participate can call in via phone or connect via the Internet will be conducted on Sept. 9, 2020 from 7 to 7:30 p.m.

For questions, please contact Shatara Riis at 502.315.6769 or shatara.r.riis@usace.army.mil at the Louisville District Public Affairs Office.
