Public informational session to be held Nov. 15 for former Lockbourne Air Force Base

LOUISVILLE, KY. **–** The U.S. Army Corps of Engineers (USACE) will be holding an informational public meeting to discuss the ongoing projects at the former Lockbourne Air Force Base in Lockbourne, Ohio, Thursday, Nov. 15 at the Hamilton Township Community Center at 6400 Lockbourne Road, Lockbourne, Ohio 43137 from 7-9 p.m.

The open forum will provide the community with information and answer any questions the public might have on the upcoming Remedial Investigation/Feasibility Study for the areas of concern near Rickenbacker Airport and will also provide an update on the Lockbourne Landfill project.

"This public meeting will give community members an opportunity to ask questions about the ongoing projects across the property," said USACE Louisville District project manager, Carla Heck. "We are committed to working with the community to ensure a safe environment for Lockbourne and the surrounding areas."

Additionally, the Corps wants to remind the public about the availability of records in the Information Repository, which can be viewed at the Columbus Metropolitan Library Southeast Branch located at 3980 S. Hamilton Road, Groveport, Ohio 43125. The documents in the information repository are available for review during normal business hours: 9 a.m.-9 p.m. Monday –Thursday; 9 a.m.-6 p.m. Friday-Saturday; and 1 p.m.-5 p.m. on Sunday.

For more information, please contact Katie Newton, Public Affairs Specialist, at (502) 315-6773 or by e-mail at katelyn.c.newton@usace.army.mil. Additional information on the ongoing projects at the former Lockbourne Air Force Base can be found online at: http://bit.ly/LockbourneAFB.
