

## **INFORMATION REPOSITORY**

---

### **Former Racó Army Airfield and Missile Base, a Formerly Used Defense Site**

The U.S. Army Corps of Engineers has established an information repository for documents and materials generated as part of the remedial investigation being conducted of the trichloroethene (TCE) groundwater plume at the former Racó Army Airfield and Missile Base in Racó, Michigan. The information repository is housed at the Bayliss Public Library, 541 Library Drive, Sault Ste. Marie, Michigan, and at the Louisville District Office, 600 Dr. Martin Luther King, Jr. Place, Louisville, Kentucky.

If you are interested in the details of the investigation being conducted at the former Racó Army Airfield and Missile Base or would like to review any documentation, please visit the information repository. The hours of operation are [9 a.m. - 9 p.m., Tuesday and Thursday; 9 a.m. – 5:30 p.m., Wednesday and Friday; 9 a.m. – 1 p.m., Saturday (open until 4 p.m. September through May); closed Mondays and Sundays]. For more information, please contact the U.S. Army Corps of Engineers Louisville District Public Affairs Office at (502) 315-6773 or visit <http://bit.ly/RacoArmyAirfield>.
